

PRESS RELEASE

KINGSTONE Real Estate wins Moritz Wehle as Director Client Capital Global

Munich, 08.04.2022 – KINGSTONE Real Estate has appointed Moritz Wehle as Director Client Capital Global. Together with Founding Partner and Managing Partner Dr. Tim Schomberg, he will strengthen the relationships with institutional and especially international investors in the areas of equity and debt.

35-year-old Wehle joins KINGSTONE Real Estate from CBRE Investment Management where he served as a transaction manager. In this position, he was responsible for the acquisition of commercial and residential properties in the DACH region, among other things. Prior to this, Moritz Wehle also worked for Allianz Real Estate and Nuveen, gaining several years of experience abroad in the United Kingdom and on projects in Ireland and Finland. In addition to a Bachelor's degree in International Business from Munich Business School, he also holds a Master's degree in Real Estate from Bayes Business School (formerly Cass Business School) in London.

Dr Tim Schomberg says: "After opening our office in Warsaw, we will further internationalise our KINGSTONE group of companies. Therefore, we are going to consolidate and expand our network of international investors. With Moritz Wehle, we have gained an experienced real estate specialist who will contribute significantly to our growth."

About KINGSTONE Real Estate

KINGSTONE Real Estate is an owner-managed real estate investment management group founded by the Schomberg family and Pegasus Capital Partners offering a wide range of investment products and a holistic approach for German and international institutional investors.

KINGSTONE combines a top-notch real estate deal and project pipeline with the excellent access of our senior management to national and international investors. Our strategic co-owner Pegasus offers capabilities and a proven track record as project developer and mezzanine specialist. Combining this with the Schomberg family's decades of experience in the international and institutional real estate fund business enables us to generate sustainable returns for our clients.
